**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are a small business in North Hollywood, CA. I am vehemently opposed to the proposed AT&T and Telecom petition. This will take away access to critical unbundled network elements and therefore endanger companies like Sonic, who handle our internet and phone services. The current political atmosphere has already placed too much burden on small businesses - including tariffs - and this will further prohibit us to thrive.

WE SUPPORT BROADBAND COMPETITION.

To take this away is UN-AMERICAN.

Do the right thing and say no to this petition!
